FERRARI CLUB
BROWARD COUNTY

January 2026

Welcome to the New Era of FCA Broward!

Letter from the editor:
Welcome to the first edition of
the Ferrari Club of America
Broward County Chapter
Monthly Newsletter for 2026!

We are delighted to introduce this new format as a dedicated space to celebrate our members, our events, and the extraordinary experiences that define the FCA Broward lifestyle. Our chapter is built on passion — not only for Ferrari, but for the friendships, adventures, and unforgettable moments that come with it. This newsletter will serve as a living chronicle of our chapter. Each month, we will recap our gatherings, drives, social events, and special occasions, capturing the energy, elegance, and camaraderie that make the Broward Chapter so unique. From scenic coastal drives and concours gatherings to yacht soirees and holiday celebrations, this publication will showcase the very best of our community.

Just as importantly, this newsletter is a platform for your voice. We look forward to gathering feedback from our members, highlighting your stories, and sharing the moments that matter most to you. Our goal is to reflect the spirit of our chapter through the people who make it exceptional. 2026 promises an exciting calendar of events, new friendships, and unforgettable experiences — and we are thrilled to share that journey with you through these pages. Thank you for being part of the Ferrari Club of America Broward County Chapter. We look forward to celebrating another remarkable year together.

Warm regards,
The FCA Broward Chapter

Horsepwer Meets High Society FCA Broward Chapter Closes the Year in Style with Holiday Yacht Celebration in Fort Lauderdale

The Ferrari Club of America Broward County Chapter closed out the year in spectacular fashion with an unforgettable holiday celebration aboard one of Fort Lauderdale's most iconic luxury yachts — the 137-foot *Sun Dream*. Set against the glittering skyline and palm-lined waterways of South Florida, the evening delivered the perfect blend of elegance, energy, and Ferrari camaraderie, creating a signature lifestyle experience that truly defines the spirit of the Broward Chapter.

An Elegant Arrival on the Water

The evening began with members and guests gathering in the hotel lobby, where anticipation built as friends reconnected and new friendships formed. From there, guests made their way to the marina for formal check-in at the dock, where the magnificent *Sun Dream* awaited. Boarding felt more like a red-carpet moment than a cruise departure. As members stepped aboard, they were welcomed into the yacht's stunning main salon — complete with panoramic windows, dramatic lighting, and a baby grand piano — immediately setting the tone for a night of refined celebration.

Dinner with a View — and a Soundtrack to Match

With approximately **90 members and guests** in attendance, the *Sun Dream* offered an ideal setting for an intimate yet grand holiday soirée. As the yacht cruised along Fort Lauderdale's legendary Intracoastal Waterway, guests enjoyed a hotel-style dining experience with elevated hospitality and impeccable service. A live piano performance provided a sophisticated soundtrack to dinner, filling the salon with classic melodies while waterfront estates, holiday lights, and city reflections glided past the windows. The atmosphere was warm, festive, and effortlessly elegant — the kind of setting that makes the Broward Chapter so uniquely special.

From Elegant Soirée to High-Energy Celebration

After dinner, the evening transitioned seamlessly from refined elegance to high-energy celebration. Guests made their way to the yacht's dance floor, where a live DJ took over with a curated playlist developed from member feedback. The result was a packed dance floor, vibrant energy, and a celebration that carried well into the night.

With multiple decks for mingling, outdoor observation areas for skyline views, and open-air lounges perfect for cocktails under the stars, the Sun Dream delivered a true South Florida luxury lifestyle experience.

A Celebration of Community

Beyond the spectacular setting, what truly defined the evening was the sense of community. Longtime members reconnected, new members were warmly welcomed, and conversations flowed as easily as the champagne. Stories of road rallies, concours events, and favorite drives were shared late into the evening — all united by a shared passion for Ferrari and the friendships that come with it. This is what makes the Ferrari Club of America so special: the cars bring us together, but it's the people who make the experience unforgettable.

Broward Chapter: Where Ferrari Meets the South Florida Lifestyle

From coastal drives to waterfront soirees, the Broward Chapter continues to showcase the very best of Ferrari ownership paired with South Florida's world-class lifestyle. With year-round driving season, an international membership base, and a passion for elevated social experiences, the chapter stands as one of the most vibrant in the country.

The Holiday Yacht Celebration aboard the Sun Dream was a perfect reflection of that identity — a night where horsepower met high society.

Looking Ahead

As the Broward Chapter sails into a new year, members can look forward to another exciting calendar of scenic drives, exclusive events, and unforgettable experiences.

If this holiday celebration was any indication, 2026 is shaping up to be another extraordinary year for FCA Broward.
